

How to copy text for translation

The Public Data Portal is currently only available in English. Once you have selected a record to review, you may copy specific text into a translation service (such as [Google Translate](#)) to view information in Spanish (or any other language).

First, highlight the specific text for translation and copy the text using either using the right button on your computer mouse to select **Copy** or using the keyboard function Ctrl+C.

Use the Menu above to choose to review Record Details for this record

Work Location

21960 Cabrillo HWY
Half Moon Bay

► More Details

Open a separate browser page and go to your preferred translation option (such as [Google Translate](#)) and paste the text into the appropriate location using either the right button on your computer mouse to select **Paste** or using the keyboard function Ctrl+V.

The screenshot shows the Google Translate interface. At the top, the Google logo is on the left, and a search bar contains the text "google translate spanish to english". Below the search bar are links for "All", "Books", "News", "Shopping", "Videos", and "More", along with a "Tools" link. The main area shows a translation of a text snippet. On the left, under "English - detected", the text reads: "Project Description: Waddell Project Keith & Cindy Waddell granted permit with conditions for single family home, agricultural barn, two septic systems". On the right, under "Spanish", the translated text reads: "Descripción del Proyecto: Proyecto Waddell Keith & Cindy Waddell otorgaron un permiso con condiciones para vivienda unifamiliar, granero agrícola, dos sistemas sépticos, paisajismo,". A double-headed arrow is positioned between the two language boxes.
